

Inner Projection – Professor Brown

How to Achieve in Career and Life to Greatest Joy and Satisfaction

Professor Jeff's Introduction

Jeff brings considerable background and knowledge to his presentations. He has worked as a computer programmer / analyst, standup comedian, educator, and entrepreneur / career-life coach. He has written seven books and some 400 articles on diverse topics, such as motivation, life-skills, critical and creative thinking, science and math, education, and all things philosophical and theological. He believes that such diverse thinking and experiencing is critical in today's complex, fast paced, rapidly changing workplace.

With no further ado, here is Professor Jeff Brown.
